Freedom - Multiple Choice Test - Tick the correct answer

- 1 The city of Boston played a role when the United States of America were found.
 Boston is highly impotent as far as the origins of the United States are concerned.
 Boston played a highly important role in the rise of the United States.
- 2 Britain and France had thirteen colonies on the Atlantic coast of North America by 1760.
 Around 1760 the British and the French had colonies on the Atlantic coast of North America.
 Britain as well as France had thirteen colonies on the Pacific coast of North America in 1760.
- 3 The British-French war did not influence the relationship between their colonies in America.
 The war between Britain and France in Europe affected the relationship between their colonies.
 England was at war with Spain at that time, and so was France.
- 4 Before 1765 the dependence on Britain had been an advantage for the colonies.
 Britain never protected its colonies in what is now the United States.
 Until 1765 the American colonies traded with their mother country.
- 5 The colonists were rather upset because their candidates had not been elected to the British parliament.
 The colonists were not willing to pay taxes to a government where they had no seats.
 The colonists did not want to be represented without taxation.
- 6 One day some Boston citizens somehow made some British soldiers panicky, so they shot into the crowd, killing five of them.
 The Boston Massacre was an occurrence where five soldiers were killed by British customs officers.
 On March 5th 1770 some furious customs officers annoyed some British soldiers so much that they fired into the crowd, killing five of them.
- 7 At the Boston Tea Party some colonists disguised as Indians threw a cargo of tea into Boston harbor in order to protest against the tax that had been levied on tea.
 A group of colonists expressed their disapproval of the new tax entering three cargo ships loaded with their most famous drink.
 Tea, which was one of the colonists' major drinks, had been taxed. This is why some colonists disguised as Native Americans entered the ships and waited to unload some tea.
